

Session summary:

Get hands on with real Prehistoric objects. The Bones 'n' Stones Mini Museum showcases Luton's very own Prehistoric site, Waulud's Bank, which is a nationally important ancient monument.

The mini museum consists of two wheeled flight cases packed with real objects from archaeological digs at Waulud's Bank along side a number of replica objects and information booklets.

Curriculum links-

KS2 History-

- Changes in Britain from the Stone Age to the Iron Age
- Local History
- Chronology

English - Spoken language-

- Give structured descriptions
- Participate actively in conversation
