

**Summary of the Arts Award Discover, Art in the Public realm trail**

This is a booklet, packed with activities which, once completed, will enable children to attain a Discover level Arts Award. We have planned the activities carefully and designed a log book to make it easy for everyone to succeed.

**Important information**

In order to achieve the Arts Award it is essential that all parts of the booklet are completed by the child. If you have more than one child in your family, you will need to print and complete a booklet for each child who wishes to achieve the Discover Arts Award. We need your assistance to encourage and help the children as they go. If a child has English as an additional language, or struggles with writing, you can assist with noting down what the children say. All art work must be completed by the child.

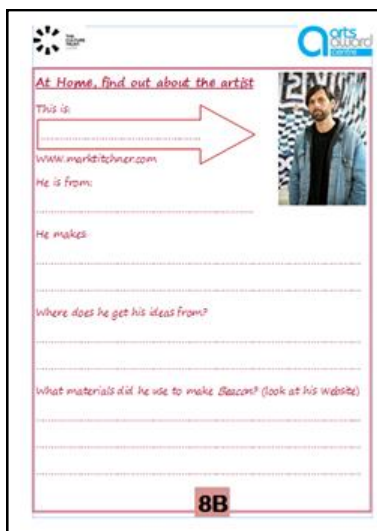

To receive the certificates we have to register each child with Trinity, Arts Award. We ask for the relevant information in the cover sheet of the booklet, please ensure we have all the children's names spelt correctly for the certification process. This information will only be used for applying to Arts Award for the certificates.

Please photograph the children whilst they complete their booklet, and stick pictures in as evidence of them seeing art in the Public realm and making art at home. These photographs are **ONLY** for the children's booklets and **WILL NOT** be used in any publication, internal or external, unless additional permission to do so is sought by The Culture Trust, Luton.

**Family led activity**

One of the activities is to find out about an Artist and their work. Children can use links to websites (provided in the booklet or artist fact sheets) to find out Mark Titchner and Tom Pearman or they can complete their own desktop research about a particular artist. Knowledge of the Art in the Public Realm and the artists in advance is not required, you will support the children to use the information given to them from our website or using online research to complete the questions.

**Marking and Certificates**

We will mark all booklets and send off for the certificates. We can only pass booklets that have been completed fully. We aim to mark the booklets and apply for certificates within 1 month of receipt. The certificates can take up to 8 weeks for delivery to the Culture Trust. It may, therefore, take between 12-14 weeks for you to get the certificates.

Once we have the certificates, we will contact you and arrange for delivery.

**Costs**

Taking part in the Arts Award Discover activities is FREE. All the resources you need to take part can be found on our website and downloaded for FREE. We will also mark the Booklet for free for every child. If you wish your child to receive an official certificate from Trinity, Arts Award, we ask for a contribution of £4 towards the cost of purchasing the certificate.
